

the Causey²

transforming a place...

At the moment it's a traffic island, and cars have taken over - but could it become a place full of life and people? The idea is to transform West Crosscauseway - one of the Southside's oldest streets - into a place for people, buzzing with activity.

Last year, we did it successfully for three days in May as part of the SIX CITIES Design Festival. The Causey rolled out the pink carpet, turned road signs into palm trees, filled the roadway with grass, painted garlands of exotic flowers on the tarmac and transformed the traffic island into a tropical island.

Now, with Causey2, the West Crosscauseway Association would like to transform the place permanently.....and we'd like your help.

If you're aged between 13 and 25, we'd like to invite you to take part in an

ideas workshop

You'll explore and discover the history of the Causey and surrounding Southside, understand the present condition of the Causey and explore and express your ideas for its future as a place full of life and people. Architects and artists will lead the workshop and you'll be using the resources of RCAHMS.

The workshop is running over two days:

**Tuesday 21 October and Wednesday 22 October
from 9.30am – 1.00pm and will be based
at the Canongate Youth Project, Infirmary Street**

If you'd like to participate in the workshop, please apply **NO LATER THAN NOON ON WEDNESDAY 15 OCTOBER 2008**. Places are limited and will be allocated on a first come first served basis.

To apply, please fill in the attached Application Form and send it to:
